Dear Parent

13<sup>th</sup> January 2026

## After School Activities

We are delighted to be able to once again offer a range of after school activities. You will see from the table below the activities we are offering. All activities will run between 3.15pm and 4.15pm. They will start in the week beginning Monday 19<sup>th</sup> January until the week ending Thursday 2<sup>nd</sup> April.

Please can you discuss with your child their preferred option from the list below. You will then need to access either the Arbor App or your Arbor Parent Portal and you will see each of the activities listed below. You can then indicate which activity your child would like to take part in.

**You will be able to add your child to an activity from 5.00pm this evening.**

**Please note because of the number of children wanting to take part in an activity, your child can only take part in one. Once places have been allocated, you will receive notification of whether your child has been successful in obtaining a place in the activity. Please do not assume they have a place until you receive the notification.**

**Please also note that if any activity is very popular, we may consider splitting the activity into two groups and running it for a set number of weeks for each group to make it fair for everyone and ensure that as many children as possible take part in an activity.**
