

Spelling

Children will be given a spelling list of 10 words each week on Wednesday, which they will be required to practise at home in preparation for a spelling test on the following Wednesday before receiving their new list. We will write the new lists in to contact books each Wednesday. We will also post the list on Class Dojo.

Reading

Accelerated Reader (AR) is a computer program that helps teachers to manage and monitor children's independent reading practice. It has been a very successful programme that we have been using at St Stephen's for a while now. It encourages a love of reading, allows children to access a variety of texts and ensures the children understand what they are reading with a small follow up quiz. You can quiz in school or at home. In Year 3, the children are required to read for at least 10 minutes each day. Your child will be allocated an appropriate reading book, which they will bring home each day. You can document your child's reading in their contact book.

Times Tables

We will be learning out 3, 4 and 8 times tables this term. We use TTRS worksheets to support times tables learning for 5 minutes each day. If your child has mastered their multiplication facts, there are extra levels of challenge to deepen their learning and promote maths mastery. Each term, we complete a times tables check that tests all tables up to 12. If you would like to know the results of the times tables check in more detail, please ask your class teacher. Please continue to practise and learn times tables using whichever method suits you most. We encourage children to use Times Tables Rockstars. If you have not received a log in, please ask your class teacher.
