

PSHE

This term we think about “**Changing Me.**” We will be thinking about how our bodies change as we grow older. There will be lessons about relationships and how we interact with each other. We will also discuss transition up in to year 6.

Maths

This term, we will finish our learning on position and direction. We will then learn decimals and negative numbers. We will finish the year by going over all of the topics covered in year 5.

Science

This term we will be learning all about how plants and animals reproduce. We will carry out practical experiments, with plenty of opportunities to get outside!

Computing

We will be starting an exciting new Computing topic this term. We will be looking at app design and how they are programmed and made. We will also carry on the important lessons we began about staying safe online.

English

Our reading lessons will continue to be based around the book *The Night Bus Hero* by Onjali Q Rauf. Through our reading lessons, we will develop the **VIPER** skills: widening our **v**ocabulary, making **i**nferences, making **p**redictions, **e**xplaining author intentions, **r**etrieving information and **s**ummarising. Our writing focus will be narrative based on the short animation *The Present*.

RE

Our learning about **Christianity** this term will focus on Easter and the big concepts of commitment and prayer. We will learn about the ten commandments and their importance to Christians.

DT

We will be making bread. Specifically, we will be designing and baking our own pizzas.

Music

We will be looking at performance and evaluation. The children will be developing their technical skills and expressive abilities.

PE

This term we will be Sports Day practice and athletics. This will be a great opportunity for the children to push themselves!

Spanish

This term we will be learning about describing habitats.

Geography

We will be learning about **Deserts**. We will look at case studies of different deserts and how humans and animals survive in these biomes.
