

Year 5 Autumn 1 Homework menu

Here are some optional tasks for you to complete at home

History

Build a Victorian factory out of different materials.

Challenge- add labels to each part of the factory to explain what happens in the different parts.

Victorian newspaper

Design and write the front page of a Victorian newspaper. Think of an historical event you could report on.

Science

Investigate forces.

Paper airplane (we do this in lessons though!). Design the ultimate paper airplane. Make at least 3 different designs and investigate which travels the furthest.

Force detectives- Find 10 forces in action around your home. Take photos or draw it.

English

Bring our book *Street Child* to life.

You could:

- Draw a landscape from the book
- Build your own Victorian house.
- Retell a chapter through a comic strip!

Please bring your completed homework into school by **Monday 12th October.**

We will be sharing, celebrating and showing off all your fantastic creations in that week's assembly!
