

# Harvest Celebration and Non Uniform Day

**Friday 15th October 2021**

This year we will be collecting donations for The Canterbury Food Bank. We work very closely with this invaluable charity throughout the year and their tireless work helps some of the most vulnerable families, both here in school and in the local community.

The Food Bank is supported with donations from the local community and they are always grateful for anything you can spare from your cupboard. However, there are always certain items that they are in desperate need of to make up emergency parcels. The parcels contain enough food to feed a family for 3 days. With that in mind we would like to ask that, if at all possible, you could send in specific items from the list below for your Harvest contribution this year.

*Long life blue milk, tinned fruit, long life fruit juice, jam, marmalade, tinned ham, sugar, biscuits, tinned deserts, tinned vegetables, tinned rice pudding, washing up liquid, shampoo, conditioner, disposable nappies (size 5, 5+, 6 & 6+), shower gel, soap, toothpaste, tooth brushes, deodorant, baby wipes cleaning sprays and dog food.*

If every child in school is able to bring in one item, we will contribute to helping many families in the Canterbury district. **Please do not send perishable or out-of- date goods.**

If you would like to find out more about The Canterbury Food Bank and the work they do, there is lots of information on their website [www.canterburyfoodbank.org](http://www.canterburyfoodbank.org)

**We would like each class to bring items in specific coloured packaging if possible.**
