

There have been some changes to the way we raise funds in school, and events are now organised through the family support team and school staff. Help from parents is always needed on event days, and our Christmas and Summer Fair and Fireworks Night could not be the success they are without the help and support of parents, wider family members and friends.

We always welcome ideas from parents on new ways to raise money and improve what we can offer the children in school. We have been approached by a group of parents suggesting a hardship fund to help families who struggle to pay for school trips. Others have requested a café where we could offer breakfast, free internet access and family learning courses. We have consulted with the school governors, teachers and support staff for ideas and would like your opinions as well. Therefore, if you have an idea you would like us to explore please fill in the attached slip and return it to Kym or Sally in the family support team by Wednesday 11th November.

We would like to discuss all the ideas that are put forward at an informal coffee afternoon on Tuesday 17th November at 2.00pm.

My ideas are
