

Sports Premium Funding for 2021 to 2022

Sports premium funding is provided to help schools improve the quality of PE and sport they should offer.

Schools receive PE and sport premium funding based upon the number of pupils you have from years 1-6.

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

Total Sport Premium Funding at St Stephens Junior School £20110

Primary PE and Sport Premium at St Stephens Junior School 2021-2022

Vision for the Primary PE and Sport Premium

All Pupils who attend St Stephens Junior school, should acquire the skills and motivation to thrive in PE and sport. This will help to promote lifelong physical activity and lead healthy and active lifestyles, focusing on their mental health and well-being, not just physical health.

It is our aim to increase the opportunities for all pupils to participate in sport. This could be through competitive sport such as inter or intra sport competitions. As well as the various other sports that we run to engage all our pupils in sport. Pupils will have the chance to compete in lots of different sports throughout their school life and we aim to give equal all pupils opportunity to access a variety of sports.

At St Stephens Junior school, we recognise the contribution of PE and sport to the health and well-being of our children. We believe that, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children, in turn, linking to our school value of Wellbeing.

Objectives for 2021-2022

- Sports clubs and games-based activities after School.
- Partnership and entry fees to support the school in all areas of sport
- To subsidise a minibus to enable children to travel around the country and experience a variety of competitions and tournaments.
- To support the cost of experienced swimming coaches at local swimming pool.
- To give pupils opportunity to attend professional sports events.
- To ensure all pupils have access to a variety of physical opportunities and can build on their skills in these areas.

- To provide essential equipment for pupils and staff to facilitate in PE lessons.
- To continue with providing quality professional development.
- To increase participation in Sport and physical activity.
- To raise the profile of sport and PE across the school.
- To enhance the forest school by providing equipment and staffing, in doing so, giving children the opportunity to increase their mindfulness and wellbeing.
- To improve playground markings to increase all children’s activity to the recommended 60 minutes per day. As well as enhance PE lessons and after-school clubs.

Importance of Physical Education, School Sport & Physical Activity Resources

<http://www.afpe.org.uk/physical-education/importance-of-pe-school-sport-physical-activity-resources/>

Key achievements to date:	Areas for further improvement
<p>We received an award for ongoing commitment and achievement in the School Games Programme during the Autumn & Spring Terms.</p> <p>Due to Covid, the School’s Game Mark has been cancelled for the past 2 years, however it is something we are working towards getting Gold in, again this year.</p>	<p>Improved choice of extra-curricular activities for pupils.</p> <p>Facility improvements to help with engagement levels of all pupils during break/ lunch and PE lessons.</p> <p>To create a confidence in teaching staff through CPD on how to deliver fun & engaging PE lessons.</p>

What we will do in 2021/2022	Why we want to do it?	How will we measure the impact?	Funding Allocated: £20,200
Sports Co-ordinator	<p>Having a sports leader will enable us:</p> <ul style="list-style-type: none"> • To ensure that teachers and coaches are supported in the delivery of PE lessons. This will aim to develop a class teacher's ability to provide high level physical education lessons. • To give our sports teams the opportunity to develop and have extra practice sessions. • To organise intra-school competitions and raise the number of children involved in those competitions. • To support children as the role of coaches. This will lead to enhanced self-esteem and teach them vital new life skills. • To support selected pupils at break and lunchtime to involve them in group sporting activities. • To Increase the Participation within physical education or physical education. 	<p>The sports leader will provide evidence that a teacher's ability to deliver P.E. lessons has improved due to their input. This could include deep-dives, observations, feedback from the teacher or feedback from the pupils via pupil voice.</p> <p>There will be evidence that children have been involved in a wide range of competitions and given the opportunity to prepare fully for these events. Children will be involved in a greater number of intra-school competitions than they were last year. Feedback from pupils will show that they have been given the opportunity to act as coaches in certain activities. They will reflect on this and explain how it has impacted upon them.</p> <p>Feedback from pupils will show that there is a greater range of break time activities to take part in.</p> <p>Pupils will be assessed in PE through observations and practical assessment within lessons. Making sure they know what skills are being used and why they are using them.</p>	£2000
Forest School	<p>Having a successful forest school set-up will enable us:</p> <ul style="list-style-type: none"> • To ensure that pupils mental health and wellbeing is of the utmost importance. 	<p>The forest school will include activities such as a grow your own veg garden, wildlife houses, a pond, a homemade adventure course; as well as shelters and homemade treehouses.</p>	£2500

	<ul style="list-style-type: none"> • To prioritise wellbeing and mindfulness and give us a space that can allow us to provide exciting and interesting outdoor lessons. • To host extra-curricular events such as porchlight sleepovers and twilight sessions for the children. • To be as inclusive as possible with extra-curricular activities and appeal to a wider audience of pupils. 	It will provide a safe-space for children to experience outdoor learning as well as a quiet and natural place for mindfulness and yoga sessions.	
Equipment	<p>We understand that having the correct equipment is essential to the learning of certain skills. From Year 3, the children are taught to respect the sports equipment.</p> <p>Selected children are given the role of equipment monitors and are also asked to help set up certain activities. The children take these roles very seriously and it increases maturity and responsibility. Also, we want to ensure all our equipment is appropriate to enable us to deliver high quality physical education or physical activity.</p> <p>All of the equipment bought will enable all children to achieve curriculum targets and will also provide the needs for all extra-curricular activities.</p>	Lists of equipment monitors; inventory of equipment; reference to equipment in lesson plans and observations. Furthermore, measure the success through differentiation by using various types of equipment.	£3800
Sports partnership	As well as intra school competitions, the children take part in inter school competitions. Representing the school gives the children a huge confidence boost, promotes teamwork and teaches them the core value of respect. To ensure that we are involved in as many competitions as possible, we are part of the Canterbury Sports Partnership. This involves us paying into a	Lists of children who have participated; feedback on participation in questionnaires. Also celebrate the success of our pupils who have taken Part in these competitions. Team sheets and photos of teams representing the school.	£1110

	<p>package for every sport competition that the sports partnership should offer. This opportunity is even more vital based on previous lack of opportunities due to covid, to ensure our pupils understand key values of sportsmanship.</p>		
After-School clubs	<p>Teachers and support staff run a variety of afterschool clubs throughout the year, with a focus on physical activity. Specialist coaches also run sessions after school.</p> <p>The following clubs are intended to run this year:</p> <p>Lower school football Upper school football Dodgeball Girls football Cricket Tennis Rounders Dance</p>	Lists of children who have participated; feedback on participation in questionnaires.	£3000
Travel costs	Travelling to and from sporting events and the need to sometimes book an extra minibus to take more children.	Lists of children who have participated; feedback on participation in questionnaires.	£500
Sports Maintenance	<p>We do this to maintain the playgrounds are safe and appropriate for participation in PE and physical activity, as well as break and lunch times. We also maintain all our equipment so pupils can safely enjoy using all the equipment.</p> <p>This also includes items such as line paint, to mark out the school football pitch, lawn mowers to keep the field</p>	Equipment checks so can prolong life of existing equipment. This will be done by our sports leader. Also, checking outdoor areas are safely inspected daily. E.g. Basketball area, playground and outdoor storage shed.	£1750

	tidy and presentable for sporting activities all year round.		
Medals & Trophies	We do this to celebrate our success by awarding pupil's medals, trophies and certificates for succeeding in sport. This also includes sports leader badges. This creates a level of aspiration for all children and promotes positive sportsmanship and recognition of progress in skills.	Lists of children who have participated; feedback on participation in questionnaires. Also record all success throughout the school in sport for example Sports day and Swimming gala.	£1000
Other Activities (Sporting Activities)	To give pupils the opportunity to attend professional sporting events. To create an understanding of how important and fun sport is.	We purchased tickets for the Open golf in Sandwich so pupils had the chance to attend a professional sports event. This was cancelled in the previous year, but was able to go ahead this time round. We also competed in a football competition at Charlton Athletics' football ground, we were very successful in this and it gave our children the opportunity to meet a professional footballer and compete at a much higher level than standard district competitions.	£500
Playground Markings	These are being completed this year in order to give children a better and more structured playtime experience. The full playground markings will assist lunchtime supervisors and playground supervisors to carry out structured and fitness-based activities for all children.	The items that this will include are: Fitness trail x 2, four square x2, Football markings (pitch and skill circle), Copy me – fitness markings, Hopscotch x2. All of these markings will assist with creating structured activities during playtimes as well as an extra resource for PE lessons.	£5000

	<p>Following this, a mile a day track will allow all children to complete the allocated amount of exercise each day, through using this, playground activities and PE sessions.</p>	<p>Furthermore, we are pricing up a mile a day track for next year. In addition to this, we are looking at outdoor gym equipment for an outdoor fitness space for next year. This will ensure that there is a space for fitness sessions outdoors and there will be a rotation to enable children to gain access to this area and lunch times and break times; promoting fitness and exercise even further.</p>	
			<p>Total Estimated Spend:</p> <p>£20,110</p>
